

The Society of Technical Analysts Limited

## Society of Technical Analysts Ltd (STA) Diploma Course

For the fifteenth year running, the Society of Technical Analysts Ltd (STA) Education Committee is holding its Diploma course in technical analysis. This year it will be held at **London School of Economics** in Aldwych.

Technical analysis has become an important part of most investment house activity. The STA is the professional body associated with technical analysis and only Fellows and leading members teach on the Diploma course at the LSE. STA courses may be suitable for the annual **PIA Continuous Professional Development Programme**.

The following course is now available:
